

Title Defense For Application Development and Emerging Technologies Rubric

Proposed Title : _____
Team Members (Arranged in Alphabetical Order with semi-colon as separator) _____

Criteria	Excellent	Good	Satisfactory	Needs Improvement	Points	Score
Relevance and Significance	Problem is highly relevant and addresses a clear real-world need	Problem is relevant with minor gaps	Problem has limited relevance	Problem is unclear or insignificant	15	
Clarity of Title	Title is clear, specific, concise, and accurately reflects the proposed system	Title is generally clear but needs minor refinement	Title is somewhat broad or unclear	Title is confusing or does not reflect the project	10	
Problem Identification	Clearly identifies a specific problem, target users, and existing limitations	Problem is identified but some details are lacking	Problem is partially defined	Problem is vague or unsupported	15	
Proposed Application/System	Proposed system directly addresses the problem and has clearly defined features	Proposed system addresses the problem with minor gaps	Some features are unclear or unnecessary	Proposed system does not adequately address the problem	15	
Application of Emerging Technologies	Appropriate emerging technology is clearly identified and meaningfully integrated	Emerging technology is appropriate but integration needs improvement	Technology is mentioned but its application is limited	No clear or appropriate emerging technology	15	
Technical Feasibility	System can realistically be developed using available resources, skills, and technology	Generally feasible with minor concerns	Feasibility has some significant concerns	System is unrealistic or technically impractical	10	
Scope and Manageability	Scope is well-defined, realistic, and manageable within the course/project period	Scope is mostly manageable	Scope is somewhat broad	Scope is excessive, vague, or unrealistic	10	
Presentation and Defense	Presents confidently, logically, and answers panel questions accurately	Presentation is clear with minor weaknesses	Presentation is adequate but lacks confidence or organization	Unable to clearly explain or defend the proposal	10	
Total					100	

Rating Scale

Score	Interpretation			
90 – 100	Excellent – Approved	75 – 79	Satisfactory – Approved with Revisions	Below 70 – Not Approved
80 – 89	Very Good – Approved with Minor Revisions	70 – 74	Needs Improvement – Revise and Resubmit
